**WITHDRAWAL OF
NOTICE OF PROPOSED
ADMINISTRATIVE FINE
No. AF 05-017**

June 15, 2005

This Withdrawal of Proposed Administrative Fine is issued by the Department of Environmental Services, Waste Management Division ("the Division") to Allen Wright. The original Proposed Administrative Fine No. AF 05-017 ("the Notice") was dated April 14, 2005 and sought administrative fines for violations relating to the underground storage facility located at the former Cray Oil Facility, 16 Smith Street, Woodsville, NH. Subsequently, the Division learned that due to confusion concerning property boundaries Allen Wright registered a tank he did not own. The Division thus withdraws the proposed action.

This withdrawal shall not be deemed a decision on the merits of the proposed action and shall not limit or restrict the remedy or relief that may be sought if other violations are discovered. Questions regarding this withdrawal should be directed to Thomas Beaulieu at 603-271-2986 or by e-mail at tbeaulieu@des.state.nh.us.
